Escotet publishes

Dr. Miguel Escotet, associate professor of psychology at Fort Lewis College, has received word that his book *Estadística Psicoeducativa* (Psychoeducational Statistics) has been published by the Trillas Company of Mexico City. This is Dr. Escotet's sixth book.

Another book, one which Dr. Escotet has written with Edward Nemath, is in the press. This one is called *Cross Cultural Research*

Methodology and is published in Spanish by the Trillas Press and in English by the Pergamon Press. The book was edited by Marshall Segall, social psychology series editor for Pergamon.
